PROFESSIONAL SUMMARY

Computer Science graduate, specializing in Software Quality Assurance, from Universiti Teknologi PETRONAS with hands-on experience in software development, testing and UI/UX design. Completed a 7-month internship at PETRONAS Digital Sdn. Bhd., where I improved software validation efficiency by 40% through automated testing frameworks. Adept in Agile environments, cross-functional collaboration, and full-stack development. Seeking a full-time role as a Software Developer, QA Tester or Data Analyst to contribute to impactful digital transformation initiatives.

EDUCATION

Bachelor of Computer Science (Hons.), Major in Software Quality, Minor in Financial Management 09/2022 – 12/2025
Universiti Teknologi PETRONAS (UTP), Perak

- PETRONAS Scholar | CGPA 3.56 / 4.0 | Dean's List (7 semesters)

Foundation of Science in Computer Science 09/2021 – 09/2022
Universiti Teknologi PETRONAS (UTP), Perak

- PETRONAS Scholar | CGPA 3.53 / 4.0 | Dean's List (2 semesters)

EXPERIENCE

Software Engineering & Testing Intern 05/2024 – 12/2024
PETRONAS Digital Sdn. Bhd., Kuching

- Collaborated with engineers to design, implement and optimize automated testing frameworks, improving software validation efficiency by 40% and reducing manual testing effort.
- Participated in Agile development cycles, assisted with test case design, defect tracking and validation of new features to ensure reliable system performance before deployment.
- Gained practical exposure to DevOps practices including CI/CD pipelines, automated build processes and cloud-based deployment environments, Azure DevOps, to support faster and more reliable software releases.
- Contributed to improving testing workflows and documentation, helping teams maintain consistent software quality across development stages.

ACADEMIC PROJECTS

CampusCo: Ride-Sharing & Peer Vehicle Rentals Platform 05/2025
Final Year Project (FYP)

- Designed and developed a responsive platform connecting Malaysian higher education students for ride-sharing and peer-to-peer vehicle rentals.
- Implemented secure authentication with student verification to ensure platform trust and safety.
- Tech Stack: React Native, TypeScript, Firebase, Node.js, Figma.

SmartToll: Smart Highway Toll Payment System 01/2025

Technopreneurship Course — Chief Technology Officer

- Developed a toll payment system automating transactions using RFID technology and Optical Character Recognition (OCR).
- Designed and developed a user-friendly mobile application, integrating backend logic with Firebase for secure transactions and vehicle database verification.
- Tech Stack: React Native, TypeScript, Firebase.

Traventure: Travel & Tourism Application 07/2022

Oh My Code (OMC) Competition 10.0 — Chief Security Officer

- Designed and developed a user-friendly travel application addressing disruptions in the tourism industry caused by the COVID-19 pandemic, featuring transportation and accommodation providers.
- Tech Stack: C++, Visual Basic.

SKILLS

Programming: Python, Java, C++, HTML, CSS, MySQL, Node.js, React, Next.js, React Native, TypeScript, Git, Tailwind, Framer Motion, Firebase, MongoDB, Express.js, Android Studio, MATLAB, Prolog, OOP, Postman

Software & Tools: Figma, Azure DevOps, Amazon Web Services (AWS), PowerBI, Visual Studio, Microsoft Office (Word, Excel, PowerPoint), Adobe Photoshop/Illustrator, Filmora

Languages: Malay (Native), English (Fluent)

AWARDS/RECOGNITIONS/VOLUNTEER WORK

- Dean's List — Universiti Teknologi PETRONAS (9 semesters, 2021–2025)
- PETRONAS Scholar — Full scholarship recipient throughout Foundation and Degree studies
- Facilitator, UTP-MARA Gear Up 2022 — Guided and mentored participants through programme activities in a supportive learning environment.
- Community Volunteer, UTPHOST CSR (Oct 2023) — Beach cleaning at Pantai Pasir Panjang & Turtle Conservation Centre, Segari, in collaboration with PETRONAS and Wildlife Conservation Society (WCS).
- Usherette, UTP Convocation Day 2023 — Assisted in guest coordination and crowd management for the university's annual graduation ceremony.
- Community Fundraiser & Volunteer (Dec 2023) — Organized a crowdfunding drive to purchase books, shelves and grocery essentials for patients and their families at Ronald McDonald House Charities (RMHC), Kelantan.
